

Connecticut District Mission Project

Days for Girls International is a grassroots non-profit creating a more dignified, humane and sustainable world for girls through advocacy, reproductive health awareness, education and sustainable feminine hygiene, because no girl should go without.

The poverty cycle can be broken when girls stay in school, which is a huge challenge in some countries. Not having sanitary supplies means Days without school and isolation. Days for Girls gives Days back to girls, Days that can change their lives.

The CT district is joining the New York Annual Conference this year to support the Days for Girls program. For \$20, one Kit will provide sustainable feminine hygiene for one girl for 3 years! Please give as you are able!

Please make checks payable to the CT District, (write Days for Girls in memo line) and mail to: CT District Office, Attention: Dorothy, 20 Broadfield Road, Hamden, CT 06517
