

PASTOR/STAFF-PARISH RELATIONS APPOINTMENT REVIEW FORM

[to be filled out annually in consultation with the pastor]

Document 2

Pastor _____ Church/Charge _____ District _____

The Pastor/Staff Parish Relations Committee met on _____ (date). Following our discussion with our Pastor, and after prayerful consideration and discernment, we make the following advisory recommendation regarding the pastoral leadership for our Church/Charge:

_____ It is in the best interest of our Church/Charge that our pastor be re-appointed for another year.

_____ We would like for our pastor to be returned, but in the event a change is made, we will work with our new pastor to insure the continuation of the Church/Charge's ministry.

_____ Our Church/Charge could benefit by a change in pastor, but in the event this does not occur, we will work with our current pastor for effective ministry in the year to come.

_____ It is evident that a move is in order. We believe this decision represents the best interests of the Church/Charge and that the gifts of ministry of our present pastor will be better utilized in another appointment.

_____ It is our understanding that our pastor will not be re-appointed to this Church/Charge because of retirement, or extension ministry appointment, etc.

We recognize that this recommendation is advisory to the Bishop and Cabinet, but affirm that it is our best judgment.
